### Impact of Advance CTC Payments

- The expanded CTC will generate nearly [\\$19.3 billion](#) in spending in local economies across the U.S. each month.
- Family finances improved significantly following the first monthly expanded CTC payments in July. Data from the Census Bureau show that following the July payments,

there were [significant declines](#) in the share of households with children reporting financial hardship and food insufficiency.

- Families are using the expanded CTC payments to meet the needs of their household. Among those who responded to the Census Bureau's survey: 47% spent their CTC payment on food, 28% spent it on internet and other utilities, 26% spent it on school expenses, and 17% of those with at least one child under age 5 spent it on child care.
