

Estimates of AK Beneficiaries by District

People and Households Receiving Medicare, Medicaid, Social Security, or the Affordable Care Act's Tax Credits

District	Beneficiaries	Beneficiary Share of Population	Households	Beneficiary Household Share of All Households
AK	233,100	31.4%	115,000	41.6%

Source: JEC Democratic Staff calculations based on the 2016 American Community Survey, 1-year estimates.

Note: Beneficiaries are defined as people who meet any of the following criteria: enrolled in Medicare and/or Medicaid, receiving Social Security benefits, and/or covered through directly purchased insurance and within 400 percent of the federal poverty level, which is the maximum threshold for eligibility for premium tax credits under the ACA. Data are crosswalked from PUMA-level aggregation to congressional districts (115th Congress boundaries) using Census data and geography equivalency files. AK, DC, DE, MT, ND, SD, VT, and WY have one district in their states. Numbers may not sum up due to rounding.

Estimates of AL Beneficiaries by District

UT-02	253,400	34.0%	125,400	47.8%
UT-03	219,300	28.7%	99,100	41.3%
UT-04	202,900	26.0%	98,000	40.4%
UT	866,700	28.4%	418,300	42.3%

Source: JEC Democratic Staff calculations based on the 2016 American Community Survey, 1-year estimates.

Note: Beneficiaries are defined as people who meet any of the following criteria: enrolled in Medicare and/or Medicaid, receiving Social Security benefits, and/or covered through directly purchased insurance and within 400 percent of the federal poverty level, which is the maximum threshold for eligibility for premium tax credits under the ACA. Data are crosswalked from PUMA-level aggregation to congressional districts (115th Congress boundaries) using Census data and geography equivalency files. AK, DC, DE, MT, ND, SD, VT, and WY have one district in their states. Numbers may not sum up due to rounding.
